

## **Security Audit Clearance Certificate for Dev Information Technology Limited**

**Site Name:** IIFCL Delhi

**Hosting URL:** <https://iifcl.org/>

**Audit URL:** <https://iifcl.org/>

**Issuing Date:** 10<sup>th</sup> February 2020

**Testing Dates:** 16<sup>th</sup> January 2020 to 31<sup>st</sup> January 2020

**Certificate No. :** Isec/2020-2021/549

**Conclusion:** Site is free from OWASP, Information Disclosure via Response Headers and other known vulnerabilities and is safe for hosting.

### **Recommendations:**

1. Web server should go through VA/PT on regular intervals as server side vulnerability can be used to exploit the web applications.
2. Any change in the source code of the audited web application requires a VA/PT.
3. SSL for all the web applications is recommended.
4. Web server and OS level hardening need to be in place for the production server.
5. Entire website may be hosted with Read and Script Execution permission.
6. Entire website may be deployed over TLS 1.2 or higher.

**Any change in content of website will lapse the validity of the certificate.**

**For iSec Services Pvt. Ltd., Mumbai**

**Cert-in Empanelled**
